5TH - 6TH MARCH 2022

(Hybrid Conference)

WELCOME MESSAGE

Dear Friends,

It is a great pleasure and privilege to invite you for the 27th Annual Conference of the North Zone Chapter of Indian Society of Nephrology on the 5th and 6th March in the holy city of Varanasi.

It has been hailed as the spiritual and mythological capital of our country. Mark Twain, the English author who was enthralled by the legend and sanctity of Varanasi, once wrote: "Benaras is older than history, older than tradition, older even than legend and looks twice as old as all of them put together.

"Varanasi exudes the aroma of rich culture and diverse heritage of India.

The scientific committee has put together an absorbing scientific programme. The local organising committee is leaving no stone unturned to make your stay comfortable and spiritually invigorating.

We assure you all of an academic and spiritual extravaganza on the banks of the Holy Ganges

ABOUT CITY

Varanasi, also known as Kashi and Banaras, is one of the oldest continuously inhabited city on earth. Situated in Uttar Pradesh on the banks of river Ganga, Varanasi is among the most revered religious destinations in India.

The city gets its name from two rivers - Varuna and Assi - which meet here. The word Kashi is derived from the word 'Kas' which means to shine. Varanasi is famous for the bathing ghats along the banks of river Ganga.

Pilgrims throng these ghats to take a holy dip to wash themselves of their sins. Varanasi has been synonymous with the majestic river Ganga and its numerous rivulets. The Ganga Aarti held every evening at Dasashwamedh Ghat is a sight to behold.
